8:00 A. M. Continue Judging Polled Shorthorn  
Breeding Classes.

Catalog Lithographed By MWM Color Press, Aurora, Mo.

## STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

# Show Class and Premium Awards

## Information for the Buyer

**LOCATION:** International Sale Pavilion, Stock Yards, Chicago.

**MAIL BIDS:** Those unable to be present who desire to take advantage of the buying opportunities in this sale may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you.

Representing **AMERICAN SHORTHORN BREEDERS' ASSOCIATION**

Allan C. Atlason  
Clem Larson

Ted Aegerter  
Ralph Heinemann

Carl O. Parker  
Ed Huff

Representing **THE SHORTHORN WORLD**, 16 South Locust St., Aurora, Illinois

Hal Longley    Merv Aegerter    Don Longley    Al Hamann    Horace W. Walker

**SHIPPING ARRANGEMENTS:** It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition.

**BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK**

**LIABILITY:** Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneer or clerks, can assume any liability for accidents.

**TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

**INSURANCE:** Coverage may be secured effective at the time of sale.

**GUARANTEE:** All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association, which is printed in this catalog.

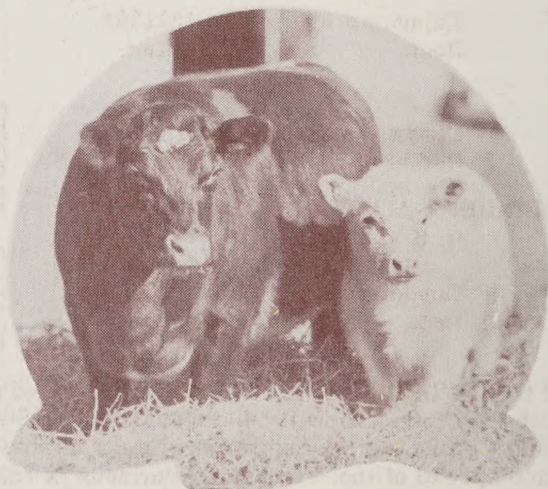

**AUCTIONEER:** C. D. Swaffar, Tulsa, Oklahoma.

**HEADQUARTERS:** Conrad Hilton Hotel in downtown Chicago. Write direct for accommodations. Be sure to mention this Association.

HC DEFENDER MAX x - Has been undefeated in both 1954 and 1955 shows. Headed his class at 1954 International, Ohio and Maryland State Fairs. He won at the 1955 Illinois and Ohio State Fairs, being Reserve Senior Champion at Ohio. He is a bull of tremendous thickness and spread of top; ideal in the fullness of rear quarters and tail-setting; short-legged, deep-sided and carries a wealth of natural fleshing. He is easily one of the better bulls to be sold in 1955 and is a proven sire. Herd TB and Bangs Accredited.

ROUND GROVE MASTER 2D x - If you want a herd bull with weight-for-age, smooth, thick-fleshing, a great polled head with the hornless character firmly fixed in his pedigree, you will find it in this thick, massive son of the 1950 Congress Champion, a 100% dehorner with two Perth and four International Champions behind him, His dam, a Reserve Champion in her own right, is the kind of brood cow you would choose to produce your next herd bull.

# 1954 International Grand Champion Bull

LF FASCINATION, Sired by Carona Fascination, was the Junior and Grand Champion Polled Shorthorn Bull of the 1954 International Live Stock Show in Chicago.

All of the qualities sought in a good bull were embodied in the Grand Champion. This summer yearling possessed a pleasing masculine head which blended smoothly into a short neck. He was straight in his top and under line and carried his width and thickness uniformly from end to end. He had tremendous bone, impressive size and was extremely stylish on the walk.

Bred by Ellis Shafer of Royal Center, Indiana and purchased as a calf by Landen Farms, Foster, Ohio.

WAYCROSS LEADER 38TH x - Is a very rugged grandson of Edellyn Royal Leader 2d, with plenty of size, uniformly built well from end to end and has a nice polled head. His dam has the habit of producing good bulls. Vaccinated for Bangs.

# *Dehorn Your Calves Before Birth*

Why suffer  
expense and  
loss of mechanical  
dehorning methods?

*Let Polled Shorthorns  
do it "at no extra cost."*

Investing in an outstanding purebred Polled Shorthorn bull is the best way to progress in the beef cattle business.

In character, breed type, smoothness from end to end, wrapped in rich coat and scaling 1925 pounds in work condition, this Polled Shorthorn bull presents pictorially a model of the modern proved beef sire. He was often a champion in polled and horned competition and has sired champions. The clean poll, broad forehead, docile eye, large and clear muzzle, strong jaw, short and thick neck, with masculine development of crest, brisket and muscular forearm and over-all width and depth are featured impressively. He has proven his ability as a sire - and represents the modern type Polled Shorthorn breeding bull.

**DEAN WARTERS**

**This  
Head**  
*has something*  
**Everyone  
Likes—**

## *Natural Hornlessness*

The breeder likes Polled Shorthorns . . . the farmer likes Polled Shorthorns . . . the feeder likes Polled Shorthorns . . . the packer likes Polled Shorthorns.

They are pleasing to the eye, have individuality, character and good dispositions, and the best possible conformation.

No section of the United States is over-supplied with herds of good beef cattle and wherever they are found as a major livelihood there prosperity moves along at an even level. Cattlemen can always count on an income where many other lines of business fall short. This has been especially true of Polled Shorthorn herds. They have weathered economic storms and return maximum profits on your investment

The greatest returns per cattle unit will come from quick fattening, good milking, earlier maturing hornless Shorthorns. The degree to which the production of beef has risen in efficiency makes the utility advantages of the Polled Shorthorn especially desirable to the American producer of prime beef.

Polled Shorthorns are pound makers with abundant natural flesh, well-balanced, with wide, short bodies, straight legs, strong backs and good heads. Because of their natural hornlessness they are able to make the most efficient use of shed and pasture space, meanwhile putting on the greatest weight for the same amount of feed of any beef breed.

OAKWOOD FORMULA x - Is a grandson of Edellyn Royal Leader 2d and the 1941 International Grand Champion, Coronet Command. Oakwood Conqueror sired the 1952 International Grand Champion bull, S & G Admiration; and the 1953 Senior and Reserve Grand Champion female, Flora of Oakwood 3d was out of the dam of Oakwood Formula. He is a bull of great scale, rugged, thick and low-set, with a deep full quarter and the head of a sire. Herd TB and Bangs Accredited.

# Better Bulls . . .

## For Greater Progress

Those bulls that have enhanced most the reputation of their owners have been selected on the basis of their intrinsic merit. They have been bought by sound-thinking business breeders who know the growing and marketing phases of purebred and commercial production.

Such bulls have come from thick-fleshing, heavy-carcarssed ancestry and they demonstrated by their individual inheritance the potency of their breeding. Right ancestry is a must . . . it is seldom indeed that the outstanding animals of any breed come from non-descript ancestors.

Investing in an outstanding purebred Polled Shorthorn bull is the best way to progress in the beef cattle business. The bulls in this sale carry the bloodlines of International Grand Champions that have supplied some of the master strokes in building the increasing present day popularity of Polled Shorthorns.

# There's Dependability in Polled Shorthorns...

TPS MAX CORONET 5th

BONITA CORONITA 11th

CLARISSA CORONITA 9th

S G ADMIRATION

HILLDALE COLLYNIE 60th

Polled Shorthorns have consistently gained in world favor because they possess the characteristics of adaptability and efficiency. Coupled with ideal type they have all the advantages of other breeds and none of the disadvantages. They can give you all the superior money-making qualities of natural, greater weight and early maturity of the Shorthorn, plus the money and time-saving attributes of the naturally hornless head. They can turn grass and roughage into cash income faster than any beef breed and are easier to handle because of their quiet, easy-feeding dispositions.

The blood-lines of the International Grand Champion Bulls and Females shown here have supplied some of the master strokes in building the increasing present-day popularity of Polled Shorthorns. They possess the quality and type much sought for in modern Polled Shorthorns. Their excellent type tells you instantly something of the far-sighted vision which has gone into making the breed the super-efficient beef animal it is today.

# 1954 International Grand Champion Polled Shorthorn Female

HILLDALE LOUISE, Sired by Hilldale Collynie 50th, was the Senior and Grand Champion Polled Shorthorn Female at the 1954 International Livestock Show in Chicago. She was bred and shown by W. T. Bennett of Oakville, Washington. She was also Grand Champion Female in competition with horned Shorthorns at the great Pacific International Show at Portland, Oregon. She was the Reserve Junior Champion at the 1953 International - standing second in class to the Grand Champion Female of that show. Her type, quality, short legs, and wonderful thickness mark her as a Champion.

She is owned by  
Lynnwood Farm, Carmel, Indiana.

		Rother Queen Katherine (250963) Red, K. P. MacGillivray

LYNNWOOD ROTHES QUEEN 3D x - This daughter of the Grand Champion, Carona Fascination, is out of an imported cow that cost \$3800. in the Mathers' Sale. Her first calf, retained by Mathers and sold in their next sale, brought \$500. She has been a most consistent producer of top calves and has averaged a calf every eleven months. She is a heavy milker, We have retained three of her daughters. CALFHOOD VACCINATED AND PRETESTED CLEAN.
